

NOTIFICATION OF RIGHT TO REQUEST TEACHER QUALIFICATIONS

July 15, 2020

Dear Parent or Guardian:

The educators in Martin County are committed to providing a quality instructional program for your child. This letter is just one of the ways of keeping you informed on the educational commitment of our schools and our district.

Our district receives federal funds for Title I programs of the No Child Left Behind Act (NCLB). Under NCLB, you have the right to request information regarding the professional qualifications of your child's teacher(s). If you request this information the district will provide you with the following:

- Whether the teacher has met the state requirements for licensure and certification for the grade levels and subject matters in which the teacher provides instruction;
- Whether the teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived;
- The college major and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree; and
- Whether your child is provided services by Para educators, and if so, their qualifications.

If you would like to request this information, please contact Patricia Williams by phone at (606) 298-3572 or by email at patricia.williams@martin.kyschools.us. Please include your child's name, the name of the school your child attends, the name of your child's teacher(s) and an address or email address where the information may be sent.

Thank you for your interest and involvement in your child's education.

Sincerely,

Larry James, Superintendent
Martin County School District
