January 12, 2021

Martin County Parents/Guardians,

Martin County School District always has the health and well-being of our students and staff at the forefront each day. Due to the recent increase in COVID-19 cases in our community, Martin County Schools will remain in all virtual instruction, with a plan to resume in-person hybrid instruction on **February 1, 2021**. We will continue to monitor the local infection rate daily.

Meal delivery service will continue during this time of virtual instruction. A decision regarding the return to in-person instruction will be made during the week of January 25. Please continue to follow safety guidelines to help ensure a safe return to school.

Thank You,

Larry James, Superintendent
