January 4, 2021

Martin County Parents/Guardians,

In-person instruction will resume on **January 19, 2021** following a hybrid schedule. Students at each school will be divided into two groups, Group A and Group B. The schedule will look as follows:

- **Group A:** In-Person Mondays and Tuesdays
- **Group B:** In-Person Thursdays and Fridays

Students will participate in virtual instruction, via Google Classroom, on days they are not scheduled to be in person.

Someone from your child’s school will be contacting you this week regarding what group your child is in and if bus transportation is needed. As the 2nd nine weeks comes to an end on January 15, students utilizing APEX/Edgenuity can transition to in-person instruction. Please let your school know if your child plans on returning in-person.

Martin County School District always has the health and well-being of our students and staff at the forefront each day. Per Kentucky Department of Education guidance, any student who chooses in-person learning will have to comply with the following guidelines:

- The use of cloth face coverings (masks) are required by all students and staff at all times while in the building or on the bus, unless medically waived. Students and staff should only lower their masks while actively eating or drinking.
- Daily temperature checks.

Thank you for everything you do for the students of Martin County. Additional updates will be provided next week.

Thank You,

Larry James, Superintendent
